INDUSTRIAL JUICE PRESSES

The Goodnature Maximizer Series

THE NAME SAYS IT ALL.

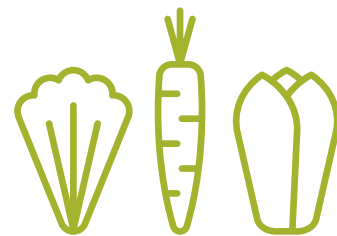

Do you want maximum yield, maximum clarity, and maximum profit? Then you need a Maximizer. The Maximizer is the industry leader and go-to choice for high-production, premium cold-pressed juice companies such as Evolution Fresh. Companies focused on premium cider such as Martinelli's and Beak & Skiff | 1911 also choose the Goodnature Maximizer for their juice extraction.

HIGH-PERFORMANCE

Producing premium quality juice with low suspended solids. No need for secondary filtration.

PRODUCE FLEXIBILITY

Press soft and hard veggies, leafy greens, most fruits and even nuts for plant based milks.

SCALABLE PRODUCTION

Modular setup with multiple units. One operator can operate up to four presses. Available with 6, 12, 20, 24, or 34 layers per press.

WE ARE GOODNATURE

Welcome to our world.

A place where inspiration does not fall far from the tree.

We invent juicing equipment that brings out the best of nature.

We treat our machines like part of the family—each with its own unique design specifically crafted to suit our customers' needs.

**PRODUCING POSITIVITY
SINCE 1976**
